

# PLANT TREES

..... *for your health* .....

Trees improve air quality in the city, which make it easier for all to breathe.

## FREE & SUBSIDIZED TREES

available for your community

- 1 Fill out a tree application and send it to Our City Forest
- 2 Our City Forest will take care of the rest!
- 3 Tell your neighbors! Volunteers will plant your tree for FREE if there are 10 or more trees to host a Community Planting
- 4 Watch it grow.
